SILME DOMINGO AND GENE VIERNES

Anti-Marcos Labor Activists Murdered MARCOS LINKED TO SEATTLE SLAYINGS

MICHAEL WITHEY

"Withey's book illustrates the importance of the civil justice system, even in cases that begin with a criminal act...If not for Withey and the CJDV's dogged combination of activism and legal work, Silme and Gene would have never gotten the full justice they deserved."

– Beth Terrell, founding member of Terrell Marshall Law Group PLLC, Board Treasurer of Public Justice, a non-profit legal advocacy organization.
